CONTENTS

Volume 3, Issue Nos 1–4

LAND DEGRADATION & REHABILITATION

Issue No. 1, APRIL

Adoption of Soil Conservation Practices: an Empirical Analysis in Ontario, Canada: B. Smit and J. Smithers 1

Applications and Limitations of Chernobyl Radiocaesium Measurements in a Carpathian Erosion Investigation, Poland: D. L. Higgitt, W. Froehlich and D. E. Walling . . . 15

Spatial Modelling of Dryland Salinization Potential in Victoria, Australia: J. R. Ive, P. A. Walker and K. D. Cocks 27

Design and Effectiveness of Permeable Infiltration Dams in Burkina Faso: J. C. J. Vlaar . 37

Erosion Control Practices Applied to Granitic Road Fills for Forest Roads in Idaho: Cost Effectiveness Evaluation: W. F. Megahan, S. B. Monsen, M. D. Wilson, N. Lozano, D. F. Haber and G. D. Booth 55

BOOK REVIEWS 67

Issue No. 2, JULY

Deforestation Trends in the Atlantic Zone of Costa Rica: a Case Study: E. Veldkamp, A. M. Weitz, I. G. Staritsky and E. J. Huising 71

Political Ecology of Wildlife Conservation in the Mt. Meru Area of Northeast Tanzania: R. P. Neumann 85

Land Degradation and Livestock Production in Zimbabwe's Communal Areas: I. Scoones . 99

Should All Degraded Landscapes be Restored? A Look at the Appalachian Copper Basin: M.-L. Quinn 115

Book Reviews 135

Announcement 139

Issue No. 3, OCTOBER

Amelioration of a Highly Degraded Tropical Alfisol by Planting I. Changes in Soil Physical and Chemical Properties. 1989–1991: N. R. Hulugalle 141

Special Papers on Quality of Land Restoration

Quality of Land Restoration: an Introduction: E. M. Bridges 153

Land Reclamation in Wales: Aims and Strategy of the Welsh Development Agency: D. G. Griffiths 157

Re-establishing Life in Restored Topsoils: J. Scullion 161

Degradation of 'Reclaimed' Lands Previously Disturbed by Coal Mining in Wales: Causes and Remedies: M. J. Haigh 169

Geographical Information System Techniques in Land Use Assessment within Landscape Types in Eastern Poland: A. Ofdak 181

Book Reviews 195

Announcement 198

Issue No. 4, DECEMBER

Effects of Controlled Grazing on a Degraded Dwarf Shrub, Annual Grass Semidesert Vegetation Type of Northwestern Kenya: G. Oba. 199

Impact of Protection and Free Grazing on Sand Dune Vegetation in the Rajasthan Desert, India: M. Kumar and M. M. Bhandari 215

Development of Pollution-neutralising Properties in Very Young Mine Soils: F. Gil-Sotres, M. C. Leirós and M. C. Trasar-Cepeda 229

Terracing and Accelerated Soil Loss on Rwandian Steeplands: a Preliminary Investigation of the Implications of Human Activities Affecting Soil Movement: L. A. Lewis 241
